two questions please. can we pick this order up monday, the third - today, in time to make a delivery to thomasville, before five pm? do we need to bring a cashiers check, or will a regular check do?

please contact us as early as possible monday am, as relates to the preceeding questions, as well as a total amount of dollars for this order.

thank you for your assistance in this matter.

sincerely,

rkm ☺

ps: no hard copy to follow.
