

## APPENDIX E

### **BELIEFS - a Comparison**

Considering that Baby Jesus was born in a manger, which we were told had some farm animals, we suspect that there might have been a lot of commensurate manure around.

Agnosticism: what will we do if there is doo doo?  
Atheism: they never told us that God could remove doo doo.  
Bapticism: we don't believe any of the doo doo in this book!  
Barbarism: what is all this doo doo about anyway?  
Buddhism: we didn't know that there was so much doo doo.  
Calvinism: this doo doo happened because I didn't work hard.  
Catholicism: this doo doo is happening to me because I'm bad.  
Confucianism: Confucius says doo doo happens.  
Darwinism: all doo doo started with a big bang and evolves.  
Episcopalianism: wonder how much doo doo those noahhites drank?  
Hari Krisnaism: only good doo doo really happens.  
Hedonism: we only like pleasurable doo doo.  
Hinduism: this doo doo has happened before.  
Islamism: all doo doo happens at the Will of Allah.  
Judaism: why is this doo doo always happening to me?  
Laxativism: good bye to all doo doo.  
Mohammedism: this doo doo will happen again.  
Paganism: we never liked the doo doo of city slickers.  
Pilgrimage: we sure are glad that our doo doo is behind us.  
Protestantism: let's let this doo doo happen to somebody else.  
Taoism: doo doo happens.  
Unitarianism: we learned that all doo doo is different.  
Zenism: why don't we see any doo doo?

### **Noahhiteism:**

**Noahhites have been raptured above all doo doo even though most of us are still here, with our feet planted firmly on the earth, with our heads in the clouds with Him.** (Luke 26:64 and 1 Thes 4:17)  
P.S. We don't want to leave out our Rastafarian religious friends in South Florida that say, "Why don't we smoke this doo doo?" And they aren't even in our good tobacco states!  
P.P.S. We thank God for a tract that gave us this idea.

## APPENDIX F

### **noahhite gathering TRUTH**

At every **noahhite gathering** this announcement of TRUTH is **required** to be read:

It is suggested, and strongly urged, that if **only one** recovery meeting can be attended, by any individual, in any twenty-four hour period of time, the Anonymous Fellowship that treats their **primary disease**, or illness, **must** take precedence over all other gatherings or functions for us! *We have already seen enough die, because they forgot from whence they came.*

Although the suggested Twelve Steps, of any Anonymous Fellowship, is at the **center** of continued recovery for us, we *noahhites* and *noahrenes* gather because the only LIFE that we believe in, or even desire, is rooted in Biblical Scripture. But that in and of itself is not enough to keep the fatal illness from killing, unless we maintain abstinence, from our being, that the Anonymous Suggested Twelve Step Program freely gives us! That is always and forever the first and primary personal responsibility, if there is a conflict in available time, in an individual's schedule!

But nonetheless, it is becoming evermore and increasingly clear and true to us, that God's Greatest Church, the **New Jerusalem**, the church in Philadelphia - the church of Brotherly Love, *which is the eighth step principle*, might receive the greatest tribulation. Therefore, we believe that the purpose of our Fellowship will let us arrive victoriously! The Noahhite Steps, coupled with the Noahhite Agreements and Rules, are the guidelines and spiritual principles that we might need to add to our pouch of **spiritual tools**, in order for this Truth to be **manifested in us; a portion of the New Jerusalem**. We desire to enhance spiritual structures into hi-tech spirituality. Please be advised that our effort does not have to be a spiritual kindergarten.
