

If you would like to get a head start on getting well before the second volume of this manual is published, let us give you a clue. Our concept is that unless we have something that we are living for that was as important as the Ark was to Noah, we are not on line with God as good as we might be. We believe that what is needed is to learn how to get on line, with a spiritual beam of light.

Since Noah got off of the ark, planted a vineyard, and became a drunkard, and all of the nations of the earth came from the three sons of Noah, *we believe* that all believers are entitled to attend either Al-Anon, Al-Ateen, Adult Children of Alcoholics, or *open* A.A. meetings. All believers have a distant relative that became drunk.

And if we are not living for something as important as the Ark was to Noah, our single opinion is that we are drunk. We are distracted from the reality of God's Kingdom, even if there is no alcohol involved. The true purpose of this type of attendance is to listen and learn how to work and then practice the spiritual program of recovery.

Hopefully, God can direct you to the person that will help you get connected to the *right* anonymous fellowship where you can learn how to work an anonymous twelve step program. In turn, you can learn how to practice **The Beginning of HIS FATHER'S TEMPLE** from chapter five of this book. Some other anonymous fellowships are listed in chapter five.

Yes, Appendix B of this book has instructions on how to hold *noahhite gatherings*! Anything other than the guidelines in Appendix though is counterfeit.

**HIS FATHER'S TEMPLE**

One last thought, and it is controversial, while the birth of God's Spirit is under way. Now we need full understanding of Matthew 22:29-30; **But Jesus said, "Your error is caused by your ignorance of the Scriptures and of God's power! For in the resurrection there is no marriage [rapture of His church]; everyone is as the angels in heaven."**

Rest assured however, there are going to be blissful eternal weddings and marriages which will last forever and ever, after the rebirth, when the Kingdom of Heaven is given to us. **He is the bridegroom of his church, and his bride will be called from her privacy** (the bed room-anonymously). While we are getting our feet on the ground and our heads in the clouds with Him, with this book and it's information thus far, we will be in the process of editing and publishing the next book and, hopefully, hosting *noahhite gatherings*.

With blessings, inspiration, and good fortune **VISION QUEST** will be ready for publication sometime between nineteen hundred and ninety-six and the year two thousand, based on how long the process has been for this first volume. We had no idea of the scope of work this *new idea* entailed.

We are also in hopes of having a daily devotional, entitled **GOD EXPERIENCE**, even if we do not have the privilege of using *The Living Bible* as the text for Scripture because of the quantity of Scriptures that are required for a three hundred and sixty-five day calendar. It might be that we use about a hundred and eighty-three Scriptures for the first half of the year, and then repeat the meditations for the second half of the year in order to be eligible to use *The Living Bible* as the text for the Scriptural quotes.

We believe that we need perfect understanding of Matthew 5:48; **"But you are to be perfect, even as your Father in heaven is perfect."**

There is only one minor problem however. If the next Scripture is true, we know that a lot of emotional rearrangement is in order! Let there be full understanding of Matthew 19:21; **Jesus told him, "If you want to be perfect, go and sell everything you have and give the money to the poor, and you will have treasure in heaven; and come, follow me."**

These quotes need to be discussed, at length, by some one further along the path than most are, so let us not be too concerned about making snap or rash decisions too early in the game. Several Scriptures that need to be understood in this part of the conversion process, or rebirth of the **water** and **Spirit** baptisms, explained in earlier chapters, are mandatory. But please keep in mind that only God's Spirit coupled with the comforters and the Holy Spirit can possibly orchestrate the entire scenario of events that will let us win the race. The race of the victory of Christ in the new spiritual heart! These are as follows:

Luke 9:23; **Then he said to all, "Anyone who wants to follow me must put aside his own desires and conveniences and carry his cross with him every day and keep close to me!"**

Luke 9:62; **But Jesus told him, "Anyone who lets himself be distracted from the work I plan for him is not fit for the Kingdom of God."**

His Spirit put pressure on our right shoulder, at the right time, to let us know when to be patient and carry the burden of discipline; "Be still and know that I am God."

**IN TOUCH - On Line**

A Scripture for every day of the year might yield a manual in excess of seven hundred pages. Your comments will truly be appreciated as relates to this subject. We do have a mailing address in this chapter.

The daily meditation book is already written, as is the second volume of text. It is just a matter of time, coupled with supply - needs - meshed with inspiration that is so vital. In the first newsletter, we mentioned giving as relates to Matthew 9:13 and Matthew 22:21; these Scriptures will be fulfilled in the millennium rule of Christ (Matt 5:17-19).

Whatever the outcome, all three writings, in God's good time, we believe, will ultimately be published into a Noahhite manual. Anyone that would like to learn what we have done, and are doing, in order to become a Christian Jewess, Jewish-Christian, Israelite, or reborn Gentile, please pray that God supplies all of our needs.

We have retold the beginning directions (suggestions) that we are either learning or have been practicing in the preceding text. In the interim, should you have any questions that we might be able to help you with, please contact us at the following address, which is subject to change too:

One last bit of pertinent information before we hopefully meet again in the second book of the Noahhite Manual that might be published by 1999.

When we had a close, older blood relative that was not being reborn, we had to suspend all of the hope that Christ has planned for us. They were negative most of the time, and could only speak things of the devil into existence in times of pain and distress. We to have done that, but we want none of the old life. We got tired of the old way and wanted no part of the devil's control anymore. We just settled in with being their servants. Perfect patience from Christ, in Christ, is a requirement which let us understand Acts 16:31.

But the truth in Christ is about eternity, and is worth whatever effort that is required of us as individuals. The price is high, but compared to what it cost One, we got out pretty darn cheap, from our small perspective at the beginning of this *new adventure*.

It is imperative that you understand that all of the anonymous fellowships are perfectly separate and deal only with their own singleness of purpose. Therefore, you need to get connected to the right recovery program. We intentionally do not include any World Headquarters addresses so that hopefully, everyone can start at the local level.

We believe that there are enough concerned people in your town that are familiar enough with what needs to be done. Even if there is not the fellowship that you need, hopefully you can learn how to get your own group started by implementing their experience with their literature.

As we close this book, the first in this manual, our hopes and prayers are with you for God's best. We appreciate your time and your attention, and do hope that it has accomplished what it was intended to accomplish. As you have gathered by now, God is everything to us, but without *you*, we might not be able to experience all of God!
