

## NATIONS - Harmony

We believe Genesis 9:10, which states, **From these three sons of Noah came all the nations of the earth.** Now there are many nations. A few of us were impressed when the United Nations issued orders that were accomplished by a coalition of forces in The Year of Our Lord Nineteen Hundred and Ninety-one. The exercise was called Desert Shield and then Desert Storm. We had just started the process of writing this book and some of us were frightened!

Many wondered how the USA got in the middle of war again. We had to really search our memory of the Scriptures before we were allowed to remember the verse in Matthew 5:9; **"Happy are those who strive for peace - they shall be called the sons of God."**

Most religions state peace on earth and good will to all men. We remember the Scripture as, **"let there be peace among the people who please God."** We were allowed to also remember Matthew 10:34; **"Don't imagine that I came to bring peace to the earth! No, rather a sword."** Fortunately, we who are involved in this book are experiencing John 14:27; **"I am leaving you with a gift - peace of mind and heart. And the peace I give isn't fragile like the peace the world gives."**

But now the crown of what we are about, which is in Matthew 5:10; **"Happy are those who are persecuted because they are good, for the Kingdom of Heaven is theirs."** Let us note, at this point, that the heaven mentioned in the last verse has a capital H, rather than lower case letter; but a **PURE** heart is mandatory!

vii

Let us understand that as people, we are either a part of the solution, or we are the pollution. It can be no other way. If we change, everything will change. The hard part was finding out that we could not change by ourselves.

*We needed the innermost being in us that let God come to us. God's Spirit changed us.* What a miracle! This occurred *after* the internal process of the water baptism, which we were given because of persistent efforts in the first nine steps of one of the anonymous programs. We finally understood that it was our demons that led us to poverty, pride that almost killed us, and lust that made us want to die. *All this was caused by resentment.* The misery, disappointment, and heartache the demons caused us was unbelievable.

The way we found we could change was to let the Lord Jesus, in the Spirit of the Risen Christ, *on the inside of us*, cast out the demons, because of the spiritual awakening; not religious people nor evangelists. We do admit, however, that many of those people got us on the right track.

We understand Acts 10:34-38; **Then Peter replied, "I see very clearly that the Jews are not God's only favorites. In every nation he has those who worship him and do good deeds and are acceptable to him. I'm sure you have heard about the Good News for the people of Israel - that there is peace with God through Jesus, the Messiah, who is the Lord of all creation.**

**This message has spread all through Judea, beginning with John the Baptist in Galilee. And you no doubt know that Jesus of Nazareth was anointed by God with the Holy Spirit and with power, and he went around doing good and healing all who were possessed by demons, for God was with him."**

ix

Since we are beginning to understand what the capital H has reference to, we can truly tell you that only a few have witnessed the persecution, but none of us liked it!

We believe that there will be a global unifying system for the future of all nations. We are glad that God has given the authority to the United Nations to start establishing a new world order made up of all people and for the good of *all* people. This new world order will be for those who are willing to accept what is good for all. Since *believers* came from the three sons of one man, we will return to God through the spirit of one. Now that is unity!

Needless to say, considering the many topics in the news of recent years, in various forms of the media, there are many serious lifestyle changes that are beginning to occur in a lot of nations on most continents. If you will continue with us, we will learn why things are changing. We will also learn what needs to be changed and, most important, the way that change was provided for us.

If you need to understand these principles and want to, it is a shoo-in, an absolute cake walk. On the other hand, for those that deny that change needs to occur, much dread and undue hardship might be in the wing just waiting. Let there be no mistake about it, however. We understand Matthew 22:14; **"Many are called, but few are chosen."**

That is what this book is about. **How can we be sure that we will be chosen?** We believe that all who are willing to learn how to follow the simple suggestions in this small book will be CHOSEN! Our concern is for people, but banking, broadcasting, business, education, government, insurance, legal, manufacturing, medicine, religion, science, sports, and welfare are just a few that head the list of areas that we believe are already beginning to change.

viii

In the third book, **VISION QUEST**, of the Noahhite Manual, we address speaking in tongues, but since we introduce this scripture now, let us tell you that most of us were heathen. God **can** change all heathen to reborn Gentiles, but that doesn't mean that he will. We can now better understand Acts 10:42--46; **"And he sent us to preach the Good News everywhere and to testify that Jesus is ordained of God to be the Judge of all - living and dead. And all the prophets have written about him, saying that everyone who believes in him will have their sins forgiven through his name."**

**Even as Peter was saying these things, the Holy Spirit fell upon all those listening! The Jews who came with Peter were amazed that the Gift of the Holy Spirit would be given to Gentiles too! But there could be no doubt about it, for they heard them speaking in tongues and praising God.**

Well, it will probably take some time for these truths to be discussed in *noahhite gatherings*, and in the next book, which might take several years unless our recent experience helps.

Of all the people that we have met, there have never been any who have ever received any money for this type of personal testimony. Even all of the proceeds from the donations for the preview publications, and hopefully the agreement for the publication rights, of this small book are pledged to good deeds and good works, so that more might believe. As a matter of fact, it is forbidden for any of us to ever receive pay for our personal witness; absolutely forbidden! Several things are accomplished because of our lack of pay. God has never given any us a pink slip. This takes the pressure off us and gives it to Him.
